THE PRODUCT

Discover → Engage → Reward → Return

EXPLORE

Find decks, venues and activities in an immersive interface.

PLAY

Complete location-aware quests and interactive challenges.

EARN

Unlock proposed digital rewards and experiences.

RETAIN

Extend engagement across voyages and destinations.

THE PILOT

One ship first. Validate real adoption, unique users, pricing, security and operator economics before attempting fleet-scale rollout.

INVESTOR INTRODUCTIONS

investors@cruisivo.com • cruisivo.com/investors/

*3,000 gross weekly passenger opportunities × 52 = 156,000 potential annual opportunities, not unique customers or contracted installs. The proposed US\$1M and up to US\$3M are not committed; no operator partnership or returns are guaranteed. Any exclusivity would require separate signed, scoped commercial agreements.
