

CRUISIVO

A FLOATING CITY. A DIGITAL WORLD.

3D discovery, interactive quests and rewards.
A complementary experience layer for modern
cruise travel.

[INVESTOR INTRODUCTIONS →](#)

A connected adventure.

Cruisivo is designed to complement existing cruise-line apps, not replace them.

CONDITIONAL YEAR-2 FUNDING

Operator access and distribution rights must be negotiated and documented separately from investor financing. Any exclusivity is scoped and conditional; passenger data is not an investor asset.

The next voyage starts with a conversation.

We are looking for strategic investors and potential cruise-operator sponsors for a milestone-gated pilot.
